

# 2010 JAMBOREE PACKAGE PLANS

The information in this package plan is to help jamboree planning committees determine the tentage and unit equipment needed for their local council contingents. Use the enclosed order form to order your troop patrol equipment. And please place your order as early as possible to assure your shipment is received prior to your pre-jamboree training encampment.

HERE ARE THE PACKAGES YOU WILL NEED PER TROOP OR LEADER: Several BSA Wall Tent styles are offered in a wide range of prices\* to fit your jamboree budget.

■ **PATROL TENT PACKAGES** consist of four tents and one patrol fly, complete with lines, poles and pegs, to shelter eight Scouts based on the accepted standard of two Scouts per tent.

■ **LEADER TENT PACKAGES** consist of five tents—four for housing, one for storage—and one patrol fly.

■ **PATROL EQUIPMENT PACKAGES** are based on minimum requirements for eight Scouts.

Several tent styles are offered with a wide range of prices to fit your jamboree budget. Using the stated figures should make it easy to work out any additional tent and equipment packages to properly outfit your jamboree contingent.

**JAMBOREE ORDERS:**  
Orders placed between April 1, 2009 and September 1, 2009 will receive an additional 15% discount or free freight on all products offered in this brochure.

NOTE: When planning your budget, be sure to include provisions for gateways, flags, patrol boxes and other items not included in these special packages. PRICES STATED IN THIS JAMBOREE PACKAGE PLAN ARE FIRM.

 ALL WALL TENTS LISTED ARE TREATED FOR **FLAME RETARDANCY**  
IMPORTANT: To ensure the highest possible level of fire safety at the 2010 National Scout Jamboree, all tents and patrol flies used at the jamboree for any purpose must be crafted of flame-retardant material, which meets CPAI-84 (Canvas Products Association International) specifications. Supply Group equipment meets these standards.

The 2010 Jamboree logo is the trademark of the Boy Scouts of America and may not be used without its written permission.

\*2010 pricing.

## WALL TENTS

Heavy-duty 11-oz. polyester/cotton features 2" roof overhang at the eaves, rolled-rim brass grommets with spur washers, and overlapping split corners to tie closed or leave open for ventilation. Pearl gray tents are available with wood or aluminum poles, stakes and line, and all come with a polyester/cotton patrol fly. Wall tents are F.O.B. Fletcher, NC.

**01466 Standard Wall Tent** measures 7' wide, 8'10" deep and 7' high with 3'6" high sidewalls. Weighs 23.5 lbs.

**01470 Wide Wall Tent** measures 9'6" wide, 7'6" deep and 7' high with 3' high sidewalls. Weighs 25 lbs.

**01471 9' x 9' Wall Tent** measures 9' wide, 9' deep and 8' high with 3' high sidewalls. Weighs 30 lbs.

**Custom Wall tents come with sewn corners, side wall windows and Velcro® closures.**

## EUREKA!® TIMBERLINE 4 TENT

The legendary Timberline line continues to set the standard for taming the elements! This freestanding shelter features aluminum A-frame construction, shock-corded eaves, front and rear hooded flys and a large rear window. Bathtub flooring keeps seams to a minimum and the water out! Assembled size is 86" x 105" x 4'10" standing height, folds to 7" x 24" and weighs only 7 lbs. 13oz. each. Eureka!® Timberline tents are F.O.B. Binghamton, NY.

## EUREKA!® TIMBERLINE OUTFITTER 4 TENT

Sturdy nylon taffeta 4-season A-frame tent with shock-corded, 1/2" aluminum, 5-pole frame increases stability and tear-resistance in wind. Features High/Low™ door vents and rear window with long-lasting #8 zippers and No-See-Um nylon mesh, fully sealed nylon oxford bathtub floor, UV-resistant polyester rip-stop hooded fly still allows cross ventilation in inclement weather. Measures 7'2" wide, 8'9" deep and 4'10" standing height. Weight 30 lbs. each. Eureka!® Timberline tents are F.O.B. Binghamton, NY.

A BSA® EXCLUSIVE!

## BSA® EAGLE TENT

Three season tent for two of breathable 210T polyester with fiberglass poles, sturdy metal stakes, No-See-Um mesh window ventilation, shoe door and a checkerboard printed on the vestibule floor. Tent measures 7'4" wide, 11'3" deep and 3'9" standing height. Weight: 11 lbs. each. BSA tents are F.O.B. Charlotte, NC.

A BSA® EXCLUSIVE!

## BSA® GREEN PEAK TENT

Crafted of 190T breathable polyester with flexible fiberglass poles, taped seams, four cross-ventilation No-See-Um mesh windows, 210 denier flooring and two shoe doors. Tent measures 10' wide, 10' deep and 6' standing height and sleeps six. Weight: 17.2 lbs. each. BSA tents are F.O.B. Charlotte, NC.
